The Place Where Africa's Business Leaders Meet

Each year, the Africa CEO Forum gathers more than 2,000 African and international captains of industry, public decision-makers and leading visionaries to debate the continent's most pressing priorities and set its business agenda.

"The Africa CEO Forum offers the opportunity to network with other key companies and catalyse the challenges that we face ourselves as businesses."

JOSHUA OIGARA, CEO, STANBIC BANK KENYA

SHAPING THE FUTURE OF AFRICA

A BUSINESS-FIRST EVENT

An unmissable event bringing together the continent's most influential CEOs and investors, representing the entire Africa-focused ecosystem in one place:

- **1,000 CEOs**, including the top executives of Africa's largest corporations
- **1,200+ companies** with operations in Africa
- **75+ countries** represented among participants from Africa and across the globe

● ENABLING DIALOGUE BETWEEN THE PUBLIC & THE PRIVATE SECTOR FOR OVER A DECADE

Engage with public officials in a forum dedicated to strengthening private-public dialogue in the pursuit of an economically strong and sovereign Africa:

- Meet **over 400** government representatives through B2G meetings, in our networking areas or at the exclusive Gala Dinner
- Discuss strategic and operational topics on stage or at our closed-door sessions with regulators, experts and industry peers
- Hear directly from heads of state and other high-level policymakers, including at the **“Invest In”** sessions dedicated to investment promotion

“IFC’s continuous support for the Africa CEO Forum reflects our commitment to rally the private sector around a common goal: a better, greener and more inclusive future for Africa.”

MAKHTAR DIOP

Managing Director and Executive Vice President, International Finance Corporation

“The Africa CEO Forum is the platform that connects key players of the private and public sectors so that they can come together and discuss how to move Africa forward.”

BELLA DISU

Executive Vice Chair, Globacom

● GAIN FRESH PERSPECTIVES AND STRATEGIC INSIGHTS

A programme crafted in collaboration with the continent’s corporate leaders and business journalists from Jeune Afrique, Africa Business+ and The Africa Report, designed to stir debate, inspire and focus on what matters to business:

- **60 sessions** over two days, ranging from presidential keynotes to national investment promotion pitches, and from CEO Talks to closed-door strategic industry roundtables
- **500 women leaders** in attendance, among the highest proportional representation of any global event
- **20 Disrupter CEOs** from rising start-ups that have the potential to shake up African and global industry

AFRICA'S MOST RENOWNED BUSINESS CONFERENCE

Since its creation in 2012, the Africa CEO Forum has enjoyed exceptional media exposure in pan-African and national media from all four corners of the continent, as well as a rising interest from international outlets.
